Himalaya Crest Realty (Pvt.) Ltd. - Services and Fees

- Document title: Services and Fees
- Document code: HCR-DOC-03
- Version: 4.0
- Effective date: 1 June 2026
- Owner department: Finance

Fictional company created for software testing.

1. About this document

This document explains every service offered by Himalaya Crest Realty (HCR), what each service includes, what it costs and how the charges are worked out. It is written for buyers, sellers, landlords, tenants and investors who want to know the full cost of a transaction before they commit to it. Property details are in the Property Listings document, and the rules on booking, cancellation, refunds and transfers are in the Policies and Terms document.

All fees in this document are in Pakistani rupees and are written in full digits, for example PKR 18,500,000, which is the same as PKR 1.85 crore (one crore is 10,000,000 and one lakh is 100,000). The fee schedule described here took effect on 1 March 2025 unless a different date is stated beside a particular item. Percentages are applied to the full property price or to the rent, as explained in each section.

HCR believes a client should never be surprised by a bill. For that reason every fee below is stated as a fixed amount or a fixed percentage, every minimum is stated, and every worked example can be checked with a calculator. If a number in a quotation differs from a number in this document, the client should ask the consultant to explain the difference in writing before signing anything.

2. Services at a glance

HCR provides seven services. Each has a code that appears on booking forms, invoices and receipts.

Code	Service	Best suited to	First point of contact
SVC-BUY	Buying	Anyone purchasing a home, plot or commercial unit	The branch consultant
SVC-SELL	Selling	Owners who want to sell a property	The branch consultant
SVC-RENT	Rental	Landlords and tenants of homes and commercial space	rentals@himalayacrest.example
SVC-PM	Property management	Owners who want day-to-day care of a let property	Mehwish Tanveer
SVC-VAL	Valuation	Buyers, sellers and owners who need a written value	Kamran Yousaf
SVC-DOC	Documentation support	Parties who need agreements and transfer papers prepared	Ayesha Nawaz
SVC-INV	Investment advisory	Investors reviewing or building a property portfolio	Rabia Chaudhry

Services can be combined. A seller may order a valuation first, then use selling and documentation support. An investor may start with an advisory session, buy through the buying service and later hand the finished property to the management team. Each service is charged separately according to the tables in this document.

3. Buying (SVC-BUY)

3.1 What the service includes

The buying service covers the whole journey from first search to booking. A consultant listens to the client's needs, shortlists suitable properties, arranges viewings, explains the written payment schedule, helps with price negotiation and supports the client through the booking. The consultant remains the named contact for the client throughout.

Viewings are arranged through the branch that handles the property. A viewing may be cancelled free of charge by giving at least 24 hours notice to the branch that arranged it.

3.2 Buying commission

Commission is one flat percentage of the full property price. The percentage is chosen by the slab in which the price falls; it is not applied slice by slice. A property priced at PKR 25,000,001, for instance, is charged the Slab 3 percentage on the whole price.

Slab	Price range	Buying commission
Slab 1	Up to PKR 10,000,000	2.0%
Slab 2	PKR 10,000,001 to PKR 25,000,000	1.75%
Slab 3	Above PKR 25,000,000	1.5%

The minimum buying commission is PKR 150,000. If the percentage amount comes to less than this, the minimum is charged instead. In practice the minimum matters only for lower-priced properties in Slab 1, where 2.0% of the price would fall below PKR 150,000.

3.3 Admin fee

A single admin fee of PKR 7,500 is charged per transaction on buying and selling. It covers file opening, receipt preparation and record keeping, and it is charged once however many visits or viewings the transaction takes.

3.4 Worked buying examples

- **HCR-ISB-0101 (Crest View Residency Block A, Two-Bed Apartment A).** The price of PKR 18,500,000 falls in Slab 2. Commission is PKR 18,500,000 x 1.75% = PKR 323,750. Adding the admin fee of PKR 7,500 gives PKR 331,250.
- **HCR-ATD-0303 (Pine Ridge Plots, Plot P-12).** The price of PKR 9,500,000 falls in Slab 1. Commission is PKR 9,500,000 x 2.0% = PKR 190,000, which is above the PKR 150,000 minimum, so PKR 190,000 is charged.
- **HCR-LHR-0402 (Lotus Gardens, Three-Bed Apartment).** The price of PKR 33,500,000 falls in Slab 3. Commission is PKR 33,500,000 x 1.5% = PKR 502,500.
- **HCR-RWP-0201 (Saffron Heights, One-Bed Apartment).** The price of PKR 8,400,000 falls in Slab 1. Commission is PKR 8,400,000 x 2.0% = PKR 168,000, above the minimum.
- **HCR-ISB-0104 (Crest View Residency Block B, Three-Bed Apartment B).** The price of PKR 27,500,000 falls in Slab 3. Commission is PKR 27,500,000 x 1.5% = PKR 412,500. With the admin fee the total is PKR 420,000.
- **A property priced at PKR 6,000,000.** At 2.0% the commission would be PKR 120,000, which is below the minimum, so PKR 150,000 is charged.

4. Selling (SVC-SELL)

4.1 What the service includes

The selling service covers listing, marketing, viewings and negotiation. The consultant prepares the listing, photographs and describes the property, shares it with buyers on the company's books, accompanies viewings and presents offers to the owner. The owner decides whether to accept any offer.

4.2 Listing agreement

Every sale is handled under a written listing agreement. The agreement runs for 90 days and can be renewed. An owner who wishes to cancel the agreement must give 7 days written notice.

4.3 Selling commission

As with buying, selling commission is one flat percentage of the full sale price, chosen by slab.

Slab	Price range	Selling commission
Slab 1	Up to PKR 10,000,000	2.5%
Slab 2	PKR 10,000,001 to PKR 25,000,000	2.25%
Slab 3	Above PKR 25,000,000	2.0%

The minimum selling commission is PKR 200,000. If the percentage amount is lower, the minimum applies. The admin fee of PKR 7,500 per transaction is charged on a sale as well.

4.4 Worked selling examples

- **A property sold for PKR 12,000,000.** This falls in Slab 2. Commission is PKR 12,000,000 x 2.25% = PKR 270,000. With the admin fee the total is PKR 277,500.
- **A property sold for PKR 6,000,000.** At 2.5% the commission would be PKR 150,000, which is below the PKR 200,000 minimum, so PKR 200,000 applies.

- **A property sold for PKR 9,000,000.** At 2.5% the commission is PKR 225,000, which is above the minimum, so PKR 225,000 is charged.
- **A property sold for PKR 40,000,000.** This falls in Slab 3. Commission is PKR 40,000,000 x 2.0% = PKR 800,000.

5. Rental (SVC-RENT)

5.1 What the service includes

The rental service matches landlords with tenants for homes and commercial space. The consultant advertises the let, shows the unit, checks that both sides understand the terms and prepares the tenancy paperwork. Rental enquiries go to rentals@himalayacrest.example or to the Rentals and Management line in Islamabad on +92 51 5550 1005.

5.2 Rental commission

The commission is shared equally between the two sides.

- The landlord pays 50% of one month's rent.
- The tenant pays 50% of one month's rent.
- The minimum for each side is PKR 10,000.

Together, the two sides therefore pay a total of one month's rent, unless the minimum applies.

5.3 Worked rental examples

- **Monthly rent of PKR 80,000.** Each side pays 50% of PKR 80,000 = PKR 40,000.
- **Monthly rent of PKR 60,000.** Each side pays PKR 30,000.
- **Monthly rent of PKR 15,000.** Half of the rent is PKR 7,500, which is below the minimum, so each side pays PKR 10,000.
- **Monthly rent of PKR 20,000.** Half of the rent is exactly PKR 10,000, so each side pays PKR 10,000.

5.4 Deposit and notice terms in brief

The security deposit on a let is 2 months of rent. It is returned within 14 days after the unit is handed back. A tenant who wishes to leave must give 30 days notice, and a landlord who wishes to end a tenancy must give 60 days notice. Tenants are responsible for minor repairs of up to PKR 10,000 per item. These terms are set out in full in the Policies and Terms document.

6. Property management (SVC-PM)

6.1 What the service includes

Property management is for owners who prefer not to deal with tenants day to day. The team collects the rent, coordinates upkeep and repairs with approved contractors, and sends the owner regular reports. The service was launched on 1 April 2021 and currently looks after 214 properties. The Property Management Lead is Mehwish Tanveer (mehwish.tanveer@himalayacrest.example, +92 51 5550 1016).

6.2 Management fee

- The management fee is 8% of the monthly rent collected.
- The minimum fee is PKR 6,000 per month.

The percentage and the minimum meet at a monthly rent of PKR 75,000, where 8% equals exactly PKR 6,000. Below that rent the minimum applies; above it, the percentage applies.

6.3 Worked management examples

- **Rent of PKR 150,000 per month.** 8% = PKR 12,000 per month.
- **Rent of PKR 120,000 per month.** 8% = PKR 9,600 per month, or PKR 115,200 over twelve months of rent collected.
- **Rent of PKR 60,000 per month.** 8% would be PKR 4,800, which is below the minimum, so PKR 6,000 is charged.
- **Rent of PKR 75,000 per month.** 8% = PKR 6,000, the same as the minimum.

6.4 Ending a management agreement

Either side may end a management agreement by giving 45 days notice. Notice should be sent to rentals@himalayacrest.example.

7. Valuation (SVC-VAL)

7.1 What the service includes

The valuation department produces written market valuation reports. It was established on 15 August 2020 and operates under valuation practice licence HCR-VAL-2020-0035. To date it has completed 2,410 valuations. Every report is signed by the Head of Valuation, Kamran Yousaf, and the department works separately from the sales teams so that a value is never influenced by a commission. Requests go to valuation@himalayacrest.example or to the Valuation line in Islamabad on +92 51 5550 1004.

7.2 Valuation fee tiers

The fee depends on the value of the property.

Property value	Fee
Up to PKR 10,000,000	PKR 15,000
PKR 10,000,001 to PKR 25,000,000	PKR 25,000
Above PKR 25,000,000	PKR 40,000

Valuations of commercial property add PKR 10,000 to the tier fee.

7.3 Worked valuation examples

- **A home valued at PKR 18,500,000.** The tier fee is PKR 25,000.
- **A home valued at PKR 8,400,000.** The tier fee is PKR 15,000.
- **A shop valued at PKR 16,000,000.** The tier fee is PKR 25,000, plus the PKR 10,000 commercial addition, so PKR 35,000.
- **An office floor valued at PKR 47,500,000.** The tier fee is PKR 40,000, plus PKR 10,000, so PKR 50,000.

8. Documentation support (SVC-DOC)

8.1 What the service includes

Documentation support covers the preparation and checking of agreements and transfer papers. The team led by Ayesha Nawaz (ayesha.nawaz@himalayacrest.example, +92 51 5550 1013) prepares the iqrarnama between buyer and seller, checks the registry paperwork, confirms that the fard shows the correct owner, helps with the intiqal application and prepares a mukhtarnama where an owner appoints someone to act for them. The team will not forward a booking until the client has received the written payment schedule.

8.2 Fee

The documentation support fee is PKR 35,000 per transaction. It is charged once for a transaction, regardless of the number of papers prepared.

9. Investment advisory (SVC-INV)

9.1 What the service includes

The investment advisory department was established on 2 January 2025 and is led from Lahore by Investment Advisor Rabia Chaudhry (rabia.chaudhry@himalayacrest.example, +92 42 5550 4011). Advisors meet clients to discuss goals, timelines and the mix of property types that might suit them. The service is offered as one-to-one consultations and as a written portfolio review.

9.2 Fees

Item	Fee
Consultation	PKR 20,000 per 60-minute session
Written portfolio review	PKR 60,000

9.3 Worked advisory example

An investor who books two consultation sessions and one written portfolio review pays 2 x PKR 20,000 = PKR 40,000 for the sessions, plus PKR 60,000 for the review, so PKR 100,000 in total.

10. Consolidated fee summary

The table below brings together the fixed fees of every service.

Item	Fee
Admin fee (buying and selling)	PKR 7,500 per transaction
Documentation support (SVC-DOC)	PKR 35,000 per transaction
Minimum buying commission	PKR 150,000
Minimum selling commission	PKR 200,000
Rental commission, each side	50% of one month's rent, minimum PKR 10,000
Property management fee (SVC-PM)	8% of monthly rent collected, minimum PKR 6,000 per month
Advisory consultation (SVC-INV)	PKR 20,000 per 60-minute session
Written portfolio review (SVC-INV)	PKR 60,000

11. Discounts

HCR offers two discounts on its commission.

11.1 Referral discount

A client who is introduced to HCR by an existing client receives 10% off the company commission, up to a maximum discount of PKR 75,000.

11.2 Early-bird discount

A buyer who pays the booking token within 7 days of the first viewing receives 20% off the buying commission.

11.3 Rules that apply to both

- The referral discount and the early-bird discount cannot be combined. If a client qualifies for both, the larger discount applies.
- Discounts do not apply to valuation, documentation, advisory or admin fees.

11.4 Worked discount examples

- **Early-bird on HCR-RWP-0202 (Saffron Heights, Two-Bed Apartment).** Commission is PKR 14,750,000 x 1.75% = PKR 258,125. The discount is 20% of that, PKR 51,625, so the commission after discount is PKR 206,500.
- **Referral on HCR-ISB-0107 (Ridge House).** Commission is PKR 62,000,000 x 1.5% = PKR 930,000. Ten percent would be PKR 93,000, but the cap is PKR 75,000, so the discount is PKR 75,000 and the commission after discount is PKR 855,000.
- **Referral on HCR-ATD-0303 (Plot P-12).** Commission is PKR 190,000. Ten percent is PKR 19,000, which is below the cap, so the commission after discount is PKR 171,000.
- **A buyer who qualifies for both, on HCR-ISB-0101.** Commission is PKR 323,750. The early-bird discount is 20% = PKR 64,750 and the referral discount would be 10% = PKR 32,375. The larger discount, PKR 64,750, applies, so the commission after discount is PKR 259,000.

12. Payment plans

Properties sold by HCR are offered under one of four payment plans, coded PP-A to PP-D. The plan for each property is shown in the Property Listings document.

12.1 Plan terms

Plan	Down payment	Instalments	Duration	Frequency	Surcharge
PP-A	40%	4	12 months	Quarterly	0%
PP-B	30%	8	24 months	Quarterly	4%

Plan	Down payment	Instalments	Duration	Frequency	Surcharge
PP-C	20%	24	24 months	Monthly	6%
PP-D	25%	36	36 months	Monthly	9%

12.2 How the plans work

The surcharge is a percentage of the property price and is added to the total payable. The down payment is a percentage of the price, not of the price plus surcharge. The booking token, which is 2% of the price, is counted toward the down payment, so the buyer pays the remaining part of the down payment after the token. The balance, which is the rest of the price plus the surcharge, is paid in the stated number of instalments.

To see how much more a longer plan costs, consider a property priced at PKR 10,000,000:

Plan	Surcharge	Total payable
PP-A	PKR 0	PKR 10,000,000
PP-B	PKR 400,000	PKR 10,400,000
PP-C	PKR 600,000	PKR 10,600,000
PP-D	PKR 900,000	PKR 10,900,000

12.3 Worked plan examples

PP-A: HCR-ISB-0108 (Hilltop Enclave, Plot H-21), price PKR 21,000,000.

- Surcharge is 0%, so the total is PKR 21,000,000.
- Down payment is 40% = PKR 8,400,000. The token of PKR 420,000 is included, so PKR 7,980,000 is further due.
- The remaining 60% is PKR 12,600,000, paid over 4 quarterly instalments of PKR 3,150,000 each when divided equally.

PP-B: HCR-ISB-0101 (Crest View Residency Block A, Two-Bed Apartment A), price PKR 18,500,000.

- Surcharge is 4% = PKR 740,000, so the total payable is PKR 19,240,000.
- Down payment is 30% of the price = PKR 5,550,000. The token of PKR 370,000 is included, so PKR 5,180,000 is further due.
- The remaining 70% of the price plus the surcharge is PKR 12,950,000 + PKR 740,000 = PKR 13,690,000, paid over 8 quarterly instalments. Divided equally, each is PKR 1,711,250.

PP-C: HCR-RWP-0201 (Saffron Heights, One-Bed Apartment), price PKR 8,400,000.

- Surcharge is 6% = PKR 504,000, so the total payable is PKR 8,904,000.
- Down payment is 20% = PKR 1,680,000. The token of PKR 168,000 is included, so PKR 1,512,000 is further due.
- The remaining 80% of the price plus the surcharge is PKR 6,720,000 + PKR 504,000 = PKR 7,224,000, paid over 24 monthly instalments. Divided equally, each is PKR 301,000.

PP-D: HCR-ATD-0302 (Pine Ridge Villas, Villa Type 2), price PKR 72,000,000 (used here as an illustration only, because the villa is currently reserved).

- Surcharge is 9% = PKR 6,480,000, so the total payable is PKR 78,480,000.
- Down payment is 25% = PKR 18,000,000. The token of PKR 1,440,000 is included, so PKR 16,560,000 is further due.
- The remaining 75% of the price plus the surcharge is PKR 54,000,000 + PKR 6,480,000 = PKR 60,480,000, paid over 36 monthly instalments. Divided equally, each is PKR 1,680,000.

12.4 Late payments

An instalment that is not paid on its due date has a grace period of 10 days. After that a late-payment penalty of 0.1% of the overdue instalment is charged for each day, capped at 5% of that instalment. On an overdue instalment of PKR 1,000,000 the penalty is PKR 1,000 per day, and the cap of PKR 50,000 is reached on day 50 of the penalty. The full rules are in the Policies and Terms document.

13. Putting the costs together

13.1 A buyer's total company charges

A client buys HCR-ISB-0101 for PKR 18,500,000 on plan PP-B and also orders documentation support.

Item	Amount
Buying commission (1.75% of PKR 18,500,000)	PKR 323,750
Admin fee	PKR 7,500
Documentation support	PKR 35,000
Total company fees	PKR 366,250

The payment plan surcharge of PKR 740,000 is separate and forms part of the amount paid for the property, giving a property total of PKR 19,240,000.

If the same client pays the token within 7 days of the first viewing, the early-bird discount reduces the commission to PKR 259,000, and the total company fees become PKR 259,000 + PKR 7,500 + PKR 35,000 = PKR 301,500. The saving is PKR 64,750.

13.2 A seller's total company charges

An owner sells a property for PKR 12,000,000 and uses documentation support.

Item	Amount
Selling commission (2.25% of PKR 12,000,000)	PKR 270,000
Admin fee	PKR 7,500
Documentation support	PKR 35,000
Total company fees	PKR 312,500

An owner who first orders a valuation of the PKR 12,000,000 property would add the Slab 2 valuation fee of PKR 25,000.

13.3 A landlord's yearly cost

A landlord lets a flat at PKR 80,000 per month. The let commission is PKR 40,000, paid once. If the landlord also uses property management, the fee is 8% of PKR 80,000 = PKR 6,400 per month, which is above the PKR 6,000 minimum.

14. What the fees do not include

- **Government charges.** Government charges connected with a sale, purchase, transfer or tenancy are payable by the client and are not included in company fees. No government rates are stated in any company document.
- **Fees of independent professionals.** If a client chooses to use an independent legal reviewer, surveyor, title checker or contractor, including those who work with HCR as partners, their fees are separate and are agreed directly with the client.
- **Discounts on excluded fees.** Valuation, documentation, advisory and admin fees are not reduced by the referral or early-bird discounts.
- **Booking token.** The token is part of the price paid for the property and is not a company fee. Its refund rules are in the Policies and Terms document.

15. Fee revision history

Fees are changed only with a published effective date. The table below lists earlier values that have been replaced. Values marked superseded are no longer in force and must not be used for current quotations.

Item	Superseded value	Old effective period	Status
Buying commission, Slab 1	2.5%	1 January 2023 to 28 February 2025	superseded
Valuation fee, up to PKR 10,000,000	PKR 12,000	1 January 2023 to 31 December 2024	superseded
Booking token	3% of price	1 March 2019 to 31 December 2023	superseded

The current values are those in the body of this document: 2.0% for Slab 1 buying commission from 1 March 2025, PKR 15,000 for the lowest valuation tier from 1 January 2025, and a booking token of 2% of the price from 1 January 2024.

16. Additional Information

Clients often ask whether the token is an extra cost on top of the price. It is not; the booking token of 2% of the price is counted toward the down payment. For HCR-ISB-0101 the token is PKR 370,000, which is 2% of PKR 18,500,000. In local usage the same money is called bayana.

A cancellation of a booking must be requested in writing by email to bookings@himalayacrest.example. If a booking is cancelled within 7 days of the booking date, 90% of the token is refunded; from day 8 to day 30, 50% of the token is refunded; after day 30 the token is not refundable. A refund on the token of PKR 370,000 cancelled on day 5 is PKR 333,000, and on day 20 it is PKR 185,000.

A property booking can be transferred to another person for a fee of 1% of the property price, with a minimum of PKR 50,000. For HCR-ATD-0303 the transfer fee is PKR 95,000. Transfers are not allowed within the first 30 days after booking and take 10 working days to process.

Working days are Monday to Friday, and the word days on its own means calendar days.

Fees are payable to the company only against a written receipt, called a rasid in local usage. Clients should keep every receipt for the 7-year period during which the company retains its records of a transaction.

17. Who to contact about fees

Topic	Contact
General fee questions	info@himalayacrest.example or +92 51 5550 1001
Receipts and refunds	Usman Gillani, usman.gillani@himalayacrest.example, +92 51 5550 1017
Bookings, cancellations, transfers	bookings@himalayacrest.example
Rentals and management	rentals@himalayacrest.example or +92 51 5550 1005
Valuation	valuation@himalayacrest.example or +92 51 5550 1004
Client Services Centre	+92 51 5550 1002
Complaints about a charge	complaints@himalayacrest.example or +92 51 5550 1003

The Finance and Accounts Manager, Usman Gillani, owns the fee schedule and records every change in the revision history so that clients can see what changed and when.
